

Stainless Vented Washers

303 stainless

Vented Screws

P0097.A2

VENTED SCREWS

Material

Stainless steel (AISI 303, 1.4305).
Ultrasonically cleaned.

available: silver, gold, nickel and others.

Tips

Vented flat washers are key components in helping to eliminate virtual leaks from high vacuum (HV and UHV) systems. They

prevent gases being trapped beneath a fastener head along the screw shaft.

Technical Notes

To DIN 125A (with vent). Coatings
